AGAINST ALL ODDS | OUR GOAL: BUILD THE CHURCH

1 CORINTHIANS 14:1-25

THE BIG QUESTION

How do I build the church?

OVERVIEW

Why did Paul spend so much time talking about tongues and prophecy?

- We need to understand the gifts.
- When tongues are used in worship it brings confusion.
- When prophecy is used in worship hearts are changed.

Paul has a Motif of Build the Church.

- The local church important.
- Gathering, Growing and Giving are three ways we can use our spiritual gifts to build the church.

The Corinthians were eager for the spiritual gifts.

- We can rely on the Holy Spirit to “fan the flame.”
- Our spiritual gifts bring limitless opportunity for us personally and for the local church.
