

ANNUAL RE² PO¹ RT²₀

DOOR CREEK CHURCH
September 1, 2019-August 31, 2020

In 2020

WE'VE ALL HAD TO PIVOT

In March, while the country shut down because of COVID-19, we moved Door Creek Church online. Throughout our world there has been uncertainty, fear and unrest. However, we know that God is with us, leading us into a new season and we can be filled with His hope.

The buildings may have been closed, but we have remained committed and active in our vision and mission to be a Christ-centered church for all people where the power of the gospel is continually transforming lives, renewing our city and changing the world!

As you read through this annual report of where we've been and how God is using His church—pause and realize where He is taking us. As we love each other and our greater community, prayerfully ask where God would have you engage in 2020 and beyond.
