As you read this report, think
of an iceberg. We've been
told 90% of it lies below the
surface. While this highlights

much of what we pursued as
a church to see more people
become devoted followers
of Jesus, the fact is we don't
know most of what God has
been doing in and through
our church family and our
local and global partners.

for being part of a church that

BOOMERANGS HELPED PROVIDE for Valerie, an elderly woman who was recently homeless. She was shopping for a microwave at Boomerangs Resale Store. Karen, one of our volunteers, helped bring it to her apartment across the street. Upon entering the apartment, Karen realized that Valerie was in need of just about everything. Karen returned to the store and shared the need, which allowed us to supply furniture and more for Valerie that was delivered that afternoon. She is now a frequent shopper and has seen our Northside Madison Campus!

WE WILL TELL THE NEXT GENERATION...(PSALMS 78:4)

A HIGH SCHOOL STUDENT began attending on Wednesdays and other events. Before this, she wasn't a believer and caught up in a group of friends that were involved in drugs and other intense activities. Then, she gave her life to Jesus. She is now a student leader and is bringing others to our community who are similarly struggling!

I HAVE NOTHING TO GIVE YOU BUT ALL MY THANKS AND APPRECIATION. I reached out for prayer and got way more. My son and I have been given a great gift this year in the midst of crazy. Thanks to Door Creek Church, we are going to be able to stay in our apartment and start to once again rebuild our lives. The gift the church gave was more than I could ask for, hoped or prayed for. The support and acceptance without judgment we were shown, is beyond this life. Thank you. You gave us a way up! A way to start moving forward.
